1. Overview

Track visa/passport/DBS and right-to-work documents with expiry reminders and an audit log

Stop compliance documents from lapsing. This module gives HR a register of every employee's right-to-work and compliance documents with proactive reminders:

2. Key Features

- Document register: passports, visas/BRPs, DBS checks, driving licences, work
- Right-to-work check workflow: record the check date, the check method (manual,
- Expiry engine: a daily cron computes status (valid / expiring soon / expired),
- Immutable audit log: every status change, reminder and verification is written

3. How to Use

Install the module from Apps, then open its menu from the Odoo top bar. Configure the settings, then use the documented screens to run your workflow.
